Education

MSC. Building and Architectural Engineering
Politecnico di Milano University, GPA: 3.4
[2022 - on going](#)
BSC. Architectural Engineering
Persian Gulf University, GPA: 3.43
[2014- 2019](#)

Computer Skills

Architectural design and BIM modeling:

Revit Architectural	09/10
Revit structural	06/10
Revit BIM	06/10
Autocad	07/10
Lumion	08/10

Energy Modeling and Simulation:

IES virtual environment (IES-EV)	06/10
Climate Studio	06/10

Graphic Design:

InDesign	08/10
Photoshop	07/10
Illustrator	07/10

Other:

Microsoft office	07/10
------------------	-------

Language Skills

English	Advance
Persian	Native Language
Italian	Pre-intermediate

Final-year Building and Architectural Engineering student at Politecnico di Milano, focused on BIM and digital design. Proficient in Revit Architecture and advancing in Structural modeling, with effective experience from a professional work environment. Passionate about optimizing design coordination and construction through BIM.

Work Experience

BIM Architect assistance | Aronica company, Lissone, Italy, [Intern Jul- Sep 2023](#)

Created Revit 3D models and 2D sheets, integrated files, and coordinated with engineers to resolve design conflicts.

Architecture Designer | Effort Architecture Studio, Lar, Iran, [Job 2019- 2022](#)

Specialized in interior and exterior design, creating Revit models, Lumion renderings, and ensuring design consistency.

Interior and Faced Designer, [Freelancer 2018 - now](#)

Designed 3D/2D models in Revit, rendered in Lumion, and created presentations in InDesign and Photoshop.

Architecture Designer | Vida Architecture Studio, Lar, Iran, [Intern Jul- Sep 2018](#)

Created 2D plans in AutoCAD and 3D models in Revit for interior and exterior designs.

Certificate, Workshop

IESVE summer school Certificate

IES Ltd company, Online Course, Aug 2024

Sustainable Architecture workshop

Supervisor: Mr. Shokrollahi, Nov 2021

Basic and advance BIM course

Supervisor: Mr. Bastegani, bimcity. Jun 2020

Basic Design workshop

Supervisor: Amirabbas Kashef, Dec 2019

Competition

Design of Entrance Door Head | Effort Studio

South International Automobile Center. Shiraz, Oct 2019

Modular Architecture Contest | Persian Gulf University

Casa in House Company, Spain, January 2019

Sina Residential | Vida Studio

Foolad Mobarake Residential Complex, Isfahan, Aug 2018
