. Experiences

YKS

Intern, 08.2024 - Now
CASABLANCA

YASSIRKHALILSTUDIO

- Collaborated with ABDR's Italian team on Morocco's high-speed station, integrating technical briefs and cultural research into design proposals.
- Supported concept-development workshops for CFG Bank, translating client goals into spatial strategies and massing studies.
- Contributed to site assessments via field studies and stakeholder interviews; proposed adaptive circulation and landscape solutions.

2ADP - Ben Rejeb Architects

Intern, 06.2023 - 09.2023
TUNIS

- Assisted in design charrettes: sketched initial massing, refined concepts, and tested alternatives against program requirements.
- Synthesized client-meeting notes into clear action items, ensuring each revision aligned with both vision and technical feasibility.

SKI

Intern, 06.2022 - 09.2022
SOUSSE

- Assisted as liaison between contractors and architects, translating technical details into clear directives to keep work on schedule.
- Participated in material and finish mock-up reviews, balancing aesthetic goals with durability and budget constraints.

BATN

Intern, 06.2021 - 09.2021
06.2020 - 09.2020
TOZEUR

- Participated in design discussions with clients and consultants, articulating intent and negotiating program adjustments.
- Supported site observations to preempt construction issues, proposing practical design tweaks that maintained quality and timelines.
